The Mona Vale Hospital Urgent Care Centre will open when emergency services move to the new Northern Beaches Hospital in October 2018.

The new centre will provide treatment for minor injuries and illnesses 24 hours a day, seven days a week.

The Mona Vale Hospital Urgent Care Centre will offer a convenient walk-in service, treating sporting injuries including minor fractures, and medical conditions like mild asthma and chest infections.

Patients with more serious or life-threatening conditions should call triple zero (000) or present to the new 50 space Emergency Department at Northern Beaches Hospital.

The Mona Vale Hospital Urgent Care Centre will form part of a new network of healthcare facilities across the Northern Beaches.
